DRAMATICS

The purpose of the dramatics class is to become more effective speakers and to develop the techniques of acting. The drama class studies the speech organs and makes a comprehensive study of the history of drama. This year the drama class featured a one act play entitled "The Old Lady Shows Her Medals". After being viewed by the public it was presented at the District I Speech Contest as well as the Nebraska Fine Arts Festival.

"These boots are gonna walk all over you."

The drama class rehearses for the district speech contests.

While the Speech and dramatics class developed their acting skills, the novice and varsity debate classes perfected the art of debating, extemporaneous speaking, and individual oratory. The first year novice squad won trophies in 5 tournaments which they attended. Individual members of the debate classes received excellent and superior ratings at the Fine Arts Festival and District Speech Contest for various speaking events.

1966 marked the first year for the wrestling program at Beatrice. When coach Burnell Guy rolled out the mats for the first time, twenty-one active competitors "sweat and groaned" in active competition.

The season consisted of nine meets with the "grapplers" gaining experience every outing. Coach Guy looks forward to next season with optimism.

We are proud to have the wrestling program join the lineup of competitive sports at Beatrice High School.

A.F.S. PROGRAM

Wirasak teaches his American brothers and sisters a Thai game. Standing are Larry and Fern Kilpatrick and Wirasak; seated are Georgie and Barbara Kilpatrick.

Wirasak and Leon Rosenthal are pictured with two members of the Business and Professional Women's Club at whose meeting Wirasak presented a program on Thailand.

This year we were privileged to be the host school for Wirasak Salayakanon, an American Field Service student from Thailand. Wirasak, a senior, stayed with the George Kilpatrick family. While an honorary Orangeman, Wirasak took part in Student Council, Gymnastics class, and many student body activities. During the second semester he presented programs about his native country to various community organizations.

Selected as B.H.S. candidates for the Americans Abroad program were Barbara Enszt and Sam Terwilleger.
